In the matter of the Pension claim of Jacques Neuville alias Jos Teraux, Co. "K", 5" Reg't Minn Inft Vols., personally came before me, a Clerk of District Court (Title of officer administering oath.) in and for the aforesaid County and State, Dennis Bray, of Faxon, County of Sibley, State of Minnesota, who, being duly sworn, declares in relation to the aforesaid claim that his age is 44 years; that he is the identical person who served as a Private in Co. K, 5" Reg't Minn Infty Vols., and knows the above soldier, who was a member of Co. K, 5" Reg't Minn Inft; that on or about — day of December, 1864, while in the line of duty, and without fault or improper conduct on his part, ~~at or near~~ in the field in the, State of Tennessee said soldier incurred rheumatism from exposure to the terrible cold and wet weather of that month. About ten days after the battle of Nashville he became so lame from his rheumatism that he gave out on the road and was sent back to Hospital at Nashville

I do not know anything about his being ruptured but I remember the first day of the battle at Nashville, Dec. 15th 1864, our regt made a charge, we had to get over a rail fence that was in our front, we partly pushed the fence over, the claimant fell while crossing it, I remember it because I thought he was shot, he got up came on, and caught up with the line I noticed him when he came up rubbing his groin with his hand. I thought then that a spent ball had hit him but I said nothing to him about it and do not know of my own knowledge that he was ruptured then

State the nature of the wound or injury received, and in what part of the body located; or the name and nature of the disease or disability incurred.
State what caused the disability, and upon what particular duty the soldier was engaged at the time it was incurred. If on special duty, by whose order was he acting?
If the injury was a rupture, be particular to state its location, and whether you saw it at the time of or immediately after its incurrence, or at any time while in the service.
State whether you saw him at the date of or immediately previous to discharge, also when, where, and whether the disability named then existed.
State whether the soldier was in sound bodily health and especially free from the disabilities upon which claim for pension is based, at the time he enlisted and immediately preceding the date of incurring his disabilities.
State your source of information, whether present at time and place and an eye-witness to the facts related. If in command of company when the disability was incurred, so state.

EXAMINING SURGEON'S CERTIFICATE

IN THE CASE OF AN ORIGINAL APPLICANT.

No. 484538

Name of claimant, Jaque Neuville alias Joseph Tirion

		EXAMINING SURGEON'S ADDRESS:	
Rank,	Private	*Post office,*	Fort Howard
Company,	K	*County,*	Brown
Regiment,	5th	*State,*	Wisconsin
State,	Minn.	*Date of examination,*	Oct. 17th, 1883.

I **hereby certify** *That* I *have carefully examined this applicant, who claims that while in the service of the United States, at or near a place named* Nashville Tenn. *, and while in line of duty, on or about the* 16th *day of* December *, 1864, he incurred* Rheumatism and Rupture *, and that in consequence thereof he is* 1/2 *disabled for earning his subsistence by manual labor.*

Cause of disability and the degree.

Particular description.

He states that he is 43 *years of age, that he weighs* 180 *pounds, and that he is* 5 *feet* 11 *inches in height.*

His pulse-rate per minute is 72 *, his respiration* 17 *, and his temperature* 98 3/4.

The examination reveals the following facts:

Give the rational and physical signs so fully that *how* and *why* and *how much* the claimant is disabled shall clearly appear. When there are neither structural changes nor physical nor rational signs in support of the claim, that fact should be stated. The rating should be made in compliance with the "Instructions."

General appearance healthy and robust. There are no physical signs or symptoms of rheumatism present in this case. Physical exploration of the chest shows the heart and lungs normal and healthy.

I find oblique inguinal hernia of both sides, in regard to which, claimant states that he received the rupture of the right side on Dec. 16" 1864 while making a charge over a rail fence, while that of the left side first made its appearance eight years ago. The description of the right inguinal hernia is as follows; The viscera entering the internal inguinal ring, and descending along the inguinal canal, emerge at the external ring forming a tumor larger than a goose egg, immediately above Pouparts ligament.

The tumor on the left side is quite small and does not come down only upon violent exertion.

He wears a double truss which retains the tumors, and enables him to perform considerable labor.

In regard to rheumatism, claimant states that he has been entirely free from it for some time.

SEC. 4. Act July 25, 1882. * * * * * "That all examinations shall be thorough and searching, and the certificate contain a full description of the physical condition of the claimant at the time, which shall include all the physical and rational signs and a statement of all structural changes. The fee for such examination and *satisfactory certificate* thereof, shall be two dollars," &c., &c.
No certificate will be considered satisfactory, or such examination paid for, unless the above requirements of the law are satisfied.

It must be borne in mind that the duty of the Surgeon is to give an opinion as to the proportionate degree of disability, as 1/4, 1/2, total, &c., through the grades, *without any regard to dollars and cents*, and to make such a full particular description as will afford to this Office the ground for intelligent opinion and action in rating.

From the condition and history of the claimant, it is my *opinion the disability was* ______ *incurred in the service as claimed, and that it is not aggravated or protracted by vicious habits.*

I *find the disability as above described to entitle him to* one half *rating.* on oblique inguinal hernia of the right side

Ex "L."

W. H. Barbrace *Examining Surgeon.*

Always forward a certificate of examination whether a disability is found to exist or not.

[Date of examination.]

We hereby certify that in compliance with the requirements of the law we have carefully examined this applicant, who states that he is suffering from the following disability, incurred in the service, viz: (Cause of disability.) Alleged rheumatism & heart disease also rupture of right & left sides

(If a pensioner, fill in the amount; if not, erase the whole line.) and that he receives a pension of ______ dollars per month.

He makes the following statement upon which he bases his claim for Original [Original, increase, restoration, &c.]

(Here give the claimant's statement as briefly and as compactly as possible.) After the battle of Nashville, I contracted rheumatism in right leg, but it now has become general. I frequently have palpatation of heart and was ruptured, while in service. I wear a double truss for over 10 years, while before that time I wore a single one. I can do no manual labor.

Upon examination we find the following objective conditions: Pulse rate, 84; respiration, 21; temperature, 98.6; height, 5 feet 11 inches; weight, 192 pounds; age, 52 years.

(Here give a full description of the disabilities, in accordance with Book of Instructions.) He has a right scrotal hernia as large as 2 fists, opening is as large, as to admit 2 fingers, it can be reduced easely, but cant be retained well with truss. This disables him equal to 10/18 of 3d gr. He has a left oblique inguinal hernia, the tumor is of size of small hens egg – the left hernia does not protrude, unless the right one is reduced and man stands erect without truss. It does not protrude through external ing. – opening large enough to admit one finger. Can be easely retained and reduced. Legal rating. Heart is normal as to size, action, sounds & situation. Palpatation is due to Indigestion. liver and lungs are of normal action & health. Creaking in both shoulders, no deformity, but he looks like a rheumatic subject; the rheumatism is mostly muscular, although joints of both hands are enlarged. motion is stiff and limited in all joints, he cant stoop and walks slightly leaning forwards on account of Lumbago. No other disability found.

He is, in our opinion, entitled to a 10/18 of 3d gr. (Rate for EACH cause of disability.) rating for the disability caused by Right ing. hernia, 6/18 of 3d gr. for that caused by left ing. hernia, and 4/18 of 3d gr. for that caused by Indigest. 6/18 by gen'l rheumatism & Lumbago.

The physician will be careful to state the approximate date when he first knew the soldier; what his physical condition was at that time, giving a full description or diagnosis of all disabilities from which he was then suffering. He should then state, approximately, how often he has treated the soldier since that date, and for what disability or disabilities. If treatment has been for a disease or injury that has caused other organs to become affected, or other diseases to result as a sequence of the original disability, the affiant should state clearly what such sequences are when developed, and explain their pathological relation to the original disease or injury. 22

I have been practicing medicine 14 years. I first knew the soldier about nine years, 18 ago. I first treated him professionally about —, 18 —.

Physical examination of Jacques Neuville, alias Joseph Thirion or Tirion, Shows double reducible inguinal hernia. The hernia on the right Side is the most pronounced; it descends into the Scrotum and is of considerable Size. It appeared a Short time after the battle of Nashville in which the applicant, in charging, fell heavily, Striking his abdomen against a log fence.

The hernia on the left Side, is of the oblique type and appeared in 1874. Applicant is wearing an ill-fitting truss by which the ruptures are very imperfectly retained.

Moreover, Said Neuville is a Sufferer from chronic articular rheumatism of long Standing, very likely the Sequel of more acute attacks caused by exposure and Severe physical exercise during the late war. The applicant, though I am his family physician for about nine years, never applied to me for treatment and came today merely to undergo examination and have this affidavit writen. — From my personal acquaintance with the Soldier I am enabled to declare that his disease and disabilities are permanent in their nature, not the result of vicious or intemperate habits. NOTICE TO CLAIMANT.

This Contract is Permissible Under the Law, but Not Compulsory.——Read the following Copy of the Statute.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled * * * * * * *

SEC. 3. That section 4785 of the Revised Statutes is hereby re-enacted and amended so as to read as follows:

"SEC. 4785. No agent or attorney or other person shall demand or receive any other compensation for his services in prosecuting a claim for pension or bounty land than such as the Commissioner of Pensions shall direct to be paid to him, not exceeding $25; nor shall such agent, attorney, or other person demand or receive such compensation, in whole or in part, until such pension or bounty-land claim shall be allowed: *Provided*, That in all claims allowed since June 20, 1878, where it shall appear to the satisfaction of the Commissioner of Pensions that the fee of $10, or any part thereof, has not been paid, he shall cause the same to be deducted from the pension, and the pension agent to pay the same to the recognized attorney."

SEC. 4. That section 4786 of the Revised Statutes is hereby amended so as to read as follows:

"SEC. 4786. The agent or attorney of record in the prosecution of the case may cause to be filed with the Commissioner of Pensions duplicate articles of agreement without additional cost to the claimant, setting forth the fee agreed upon by the parties, which agreement shall be executed in the presence of and certified by some officer competent to administer oaths. In all cases where application is made for pension or bounty land, and no agreement is filed with the Commissioner as herein provided, the fee shall be $10 and no more. And such articles of agreement as may hereafter be filed with the Commissioner of Pensions are not authorized, nor will they be recognized except in claims for original pensions, claims for increase of pension on account of a new disability, in claims for restoration where a pensioner's name has been or may hereafter be dropped from the pension rolls on testimony taken by a special examiner, showing that the disability or cause of death, on account of which the pension was allowed, did not originate in the line of duty, and in case of dependent relatives whose names have been or may hereafter be dropped from the rolls on like testimony, upon the ground of non-dependence, and in such other cases of difficulty and trouble as the Commissioner of Pensions may see fit to recognize them: *Provided*, That no greater fee than $10 shall be demanded, received, or allowed in any claim for pension or bounty land granted by special act of Congress, nor in any claim for increase of pension on account of the increase of the disability for which the pension had been allowed: *And provided further*, That no fee shall be demanded, received, or allowed in any claim for arrears of pension or arrears of increase of pension allowed by any act of Congress passed subsequent to the date of the allowance of the original claims in which such arrears of pension or of increase of pension may be allowed."

And if in the adjudication of any claim for pension in which such articles of agreement have been or may hereafter be filed it shall appear that the claimant had, prior to the execution thereof, paid to the attorney any sum for his services in such claim, and the amount so paid is not stipulated therein, then every such claim shall be adjudicated in the same manner as though no articles of agreement had been filed, deducting from the fee of $10 allowed by law such sum as claimant shall show that he has paid to his said attorney.

Any agent or attorney or other person instrumental in prosecuting any claim for pension or bounty land who shall directly or indirectly contract for, demand, or receive or retain any greater compensation for his services or instrumentality in prosecuting a claim for pension or bounty land than is herein provided, or for payment thereof at any other time or in any other manner than is herein provided, or who shall wrongfully withhold from a pensioner or claimant the whole or any part of the pension or claim allowed and due such pensioner or claimant, or the land-warrant issued to any such claimant, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for every such offense be fined not exceeding $500, or imprisoned at hard labor not exceeding two years, or both, in the discretion of the court.

Be it enacted by the Senate and House of Representatives of the United States of America in Congres assembled * * * * * *

SEC. 3. That section 4785 of the Revised Statutes is hereby re-enacted and amended so as to read a follows:

"SEC. 4785. No agent or attorney or other person shall demand or receive any other compensation fo his services in prosecuting a claim for pension or bounty land than such as the Commissioner of Pensions shall direct to be paid to him, not exceeding $25; nor shall such agent, attorney, or other person demand or receive such compensation, in whole or in part, until such pension or bounty-land claim shall be allowed: *Provided*, That in all claims allowed since June 20, 1878, where it shall appear to the satisfaction of the Commissioner of Pensions that the fee of $10, or any part thereof, has not been paid, he shall cause the same to be deducted from the pension, and the pension agent to pay the same to the recognized attorney."

SEC. 4. That section 4786 of the Revised Statutes is hereby amended so as to read as follows:

"SEC. 4786. The agent or attorney of record in the prosecution of the case may cause to be filed with the Commissioner of Pensions duplicate articles of agreement without additional cost to the claimant, setting forth the fee agreed upon by the parties, which agreement shall be executed in the presence of and certified by some officer competent to administer oaths. In all cases where application is made for pension or bounty land, and no agreement is filed with the Commissioner as herein provided, the fee shall be $10 and no more. And such articles of agreement as may hereafter be filed with the Commissioner of Pensions are not authorized, nor will they be recognized except in claims for original pensions, claims for increase of pension on account of a new disability, in claims for restoration where a pensioner's name has been or may hereafter be dropped from the pension rolls on testimony taken by a special examiner, showing that the disability or cause of death, on account of which the pension was allowed, did not originate in the line of duty, and in case of dependent relatives whose names have been or may hereafter be dropped from the rolls on like testimony, upon the ground of non-dependence, and in such other cases of difficulty and trouble as the Commissioner of Pensions may see fit to recognize them: *Provided*, That no greater fee than $10 shall be demanded, received, or allowed in any claim for pension or bounty land granted by special act of Congress, nor in any claim for increase of pension on account of the increase of the disability for which the pension had been allowed: *And provided further*, That no fee shall be demanded, received, or allowed in any claim for arrears of pension or arrears of increase of pension allowed by any act of Congress passed subsequent to the date of the allowance of the original claims in which such arrears of pension or of increase of pension may be allowed."

And if in the adjudication of any claim for pension in which such articles of agreement have been or may hereafter be filed it shall appear that the claimant had, prior to the execution thereof, paid to the attorney any sum for his services in such claim, and the amount so paid is not stipulated therein, then every such claim shall be adjudicated in the same manner as though no articles of agreement had been filed, deducting from the fee of $10 allowed by law such sum as claimant shall show that he has paid to his said attorney.

Any agent or attorney or other person instrumental in prosecuting any claim for pension or bounty land who shall directly or indirectly contract for, demand, or receive or retain any greater compensation for his services or instrumentality in prosecuting a claim for pension or bounty land than is herein provided, or for payment thereof at any other time or in any other manner than is herein provided, or who shall wrongfully withhold from a pensioner or claimant the whole or any part of the pension or claim allowed and due such pensioner or claimant, or the land-warrant issued to any such claimant, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for every such offense be fined not exceeding $500, or imprisoned at hard labor not exceeding two years, or both, in the discretion of the court

I do not know wether he is living or not. since my discharge I have been treated by Dr Hubert Davreux of Green Bay Wis for the rheumatism and rupture. Geo. C Lemon

Sir, In reply to yours of Apr. 27" relating to my name I enlisted Nov. 16" 1864 in Co K 5" Minn. Infty. giving my name a as Joseph Tirrion. It is a Belgian name and pronounced as if it was spelled Te ro, giving the e & o the long sound. I so pronounced it. I have a roster of Minnesota Vols, and I see it is given there as Joseph Teraux (Teraux) I presume it must have been so entered on the rolls I have no means of knowing positively

I first made my application through N.W. Fitzgerald & Co. of Washington D.C. and was then called on to explain the difference as to my name I sent him my discharge and afterward my name was given in all papers that I received from the Dept. as Jaque Neuville alias Joseph Teraux. I enclose a call that I received in 1884. My discharge was sent to Fitzgerald I think in 1881 I have worked on this a good many years and have a sure thing under the new law and it is pretty tough to get knocked out because I took a nick name (as many of my countrymen do) instead of my true name.

I do not know just how to proceed now. write and give me full instructions and I will see that they are carried out.

I send you herewith the affidavits of two of my comrades as to origin of disability I am going to send my Surgeon copies of them to see if they will refresh his memory. will advise you as soon as I hear from him.

Very Respectfully Yours
Jaque Neuville

The physician will be careful to state the approximate date when he first knew the soldier; what his physical condition was at that time, giving a full description or diagnosis of all disabilities from which he was then suffering. He should then state, approximately, how often he has treated the soldier since that date, and for what disability or disabilities. If treatment has been for a disease or injury that has caused other organs to become affected, or other diseases to result as a sequence of the original disability, the affiant should state clearly what such sequences are when developed, and explain their pathological relation to the original disease or injury.

BUREAU OF PENSIONS

Dear Sirs:

A pension check of $30 payable to Therese Neuville for the month of March 1924 was sent to the Brussels Post Office. The Postmaster, Jule Pierre returned it.

Therese Neuville died April 1, 1924, 3:30 P.M. Since I married her son in 1900 she has been living with me.

Mrs. Neuville always said her pension money was to be used to defray the cost of her burial.

Could you kindly return to me that March check which was due her, or make out a check in my favor for a like amount?

Widows Claim No. – 159,953 – Civil War Veteran

Trusting you will give this matter your immediate attention and that you will forward me a check.

Very truly yours,
Mrs Lucy Neuville

MAORIS GREETING ONE ANOTHER PRESSING NOSE AGAINST NOSE

Dunedin, New Zealand, Mch. 12-07.

To the Honorable, The Commissioner of Pensions, Washington, D.C.

Honored sir: I salut you, & I report the receipt of your 2 letters, & the enclosed letter wich his Excellency, The President, T. Roosevelt, sent you, wich I sent to him, by the Frisco Mail, in November 1906.

Kind Sir: I thank you deeply for the Kindness of granting me a rehearing.

I hope the sworn testimony of James Cole Esq. of 827 Golden Gate Avenue, San Francisco, California for whom I've been working prior to 1880, who Knows me very well, & who must have seen me many times in San Francisco, during 1880, as I lived & worked in San Francisco in 1880. I eked out an honest living.

James Cole was the Kindest boss I ever worked for, & I'm very sorry I left his Employ.

I worked for him as a porter & Night watchman, about a year.

James Cole was a well to do Businessman, Politician, Speaker & a Republican & a gentleman.

If the sworn testimony of this Gentleman alone is not sufficient, then I may give the case up as hopeless, for I do not Know anyone else, who would testify for me.

I have received a letter from James Cole Esq. by this mail, last week, who told me he signed affidavit, & he hoped, his testimony would suffice, he is an honest oldman. a fair & square man, his word is as good as a Bond. He is a truthful man.

2/ To the Hon. The Commissioner of Pensions, Washington, D.C.

Honorable sir: I can get no one else to testify in my case, please accept the testimony of the Hon. J. Cole Esq. & my testimony, for we are telling the truth, & he has, & I can conscientiously swear to my statement! Please do not cause me unnecessary expense & worry in this matter, I have spent enough money allready for Notary fees & other expenses. Please do not write to the Authoritys in New Zealand, or elsewhere, re my present & past Mental & Physical condition, as the Authoritys in New Zealand, etc. may order me to leave, or refuse me a landing, if they find out, that I've been discharged from the Service of the U.S. on account of Unsoundness of mind & body, & I may be ordered to leave New Zealand, & not allowed to land in Australia, ~~nor~~ in America, if suspected to be of unsound mind & body & poor. When I became a Citizen of America at San Francisco, California, in 1878 I lost all my rights in my native Land Austria, and as there was lately a new Law passed in America, lately excluding all Citizens of the U.S. who left America & stayed away over 5 years, declaring each an Alien & debarring them from entering America, losing their Rights of the Country of their adoption, & having lost their rights in their native land, they are therefore Outcasts, no rights in America, nor Europe, &c. & can be compared to a masterless, homeless dog, without a Country & Rights! I am not a Citizen of New Zealand, nor of Australia, I don't belong now to any country, since America has disowned me, & my native land also disowned me I will be an abandoned disowned creature, a forsaken dog, sir, if the American Government refuses me a hearing & a pension. [redacted]. I have done my duty, served honest-ly, faithfully, honorally, & because I took ill in the service & because of the unkind records against me, I am suspected of having been unsound in mind & body prior to Enlistment & abandoned.

To the Hon. The Commissioner of pensions, Washington, D.C.

I can offer no more Evidence, except to say I was sound in mind & body prior to enlistment & I can conscientiously swear to that.

I have written a letter of 5 sheets [illegible] to day to Messrs P. J. Lockwood, & Co. Pension Agents, Washington D.C. wherein there is much Interesting reading in it, & it may perhaps help me towards a pension.

Messrs P. J. Lockwood may appear before yr with this letter, and I've also written a long letter to his Excellency, The President, T. Roosevelt, to day, The President may perhaps forward you the letter, or send you an Order - I hope this matter may be passed satisfactorily this year, without my being subjected to unnecessary trouble & Expense & Worry & Unpleasantness I am willing to return to America if I am assured to be allowed to land without unpleasant experiences, not harassed by Police; Pension Examiners & detectives & customs Officials, etc.

I would come as soon as my means will allow me, & if assured of a pension. If it is uncertain re the pension, I prefer to stay where I am, as, should I be refused a pension, I may be deported to where I came from, to New Zealand, & if the Police in N.Z. find out, that I've been deported from America, on account of being a person suspected of unsoundness of mind & body & a pauper, & without friends in N.Z. I will be refused a landing, & the same in Australia & Europe & Elsewhere, & I will experience a terrible hardship, maybe dumped overboard, or landed on a lonely Island - be a Robinson Crusoe, sir - & I'm an old man sir, 56, sir, & not very well. If I were young & strong, like Robinson Crusoe was, I would not care, sir!

Pray - Kind sir - be easy with me - I've suffered enough sir! Please let me off easy.

Sir: Hoping to get a favorable reply some day, & perhaps my claim allowed,

I salute you, & I remain Very Anxiously & humbly & Respectfully Yours Joe Nenzel.

My regular address is: c/o General Post Office Wellington New Zealand

I am only travelling through Dunedin, will be back to Wellington in 3 Months. Adieu Kind sir!

P.S. I've been in Business in Wellington & failed last year. The stamp Business & Agency & Teaching of German did not pay, I gave it up & I'm now travelling about as a Music Peddler, sir. Till better times come, or pension.

Do you ~~or~~ your children collect Stamps? I'll make you a present of a 100 different New Zealand, & Australian Postage stamps worth 2½ to 5 dollars. I've got plenty stamps on hand, would like to sell them. Do you like loose Stamps, or mounted on Sheets? Please recommend my Packets of stamps. I'll sell from 1 dollar upwards.
